

**AP Calculus AB
Summer Assignment**

Hello AP Calculus AB students,

In order to fully prepare you for our AP Calculus AB course and the exam in May, there is some preparation work that needs to happen over the summer. This will help to fully support you and your efforts during the school year.

1. Please sign up on Google Classroom with class code: jp6lbl
2. Please sign up on Khan Academy with class code: HSUT2E6U

Assignments will be released starting in July, but everyone must be signed up by the end of June. These required assignments will also be assessed at the beginning of next school year.

Thank you. I look forward to seeing you in September.

Mr. Joseph
